

Working together to support families

Home-Start is a national charity that is working with thousands of families in hundreds of communities across the UK. There are 8 Home-Starts in Surrey offering practical and emotional support for young families.

There is no rulebook for raising a family and sometimes it can seem overwhelming. If a family has at least one child under the age of 5 and needs some additional support a referral can be made to the relevant local Home-Start.

Home-Start helps families through a combination of home visiting support, group support, focused project work and social activities.

We aim to give support to families who may be struggling to cope with a variety of challenges, including post-natal illness, poor mental or emotional health, budgeting on low income, disability, social isolation, the demands of parenting young children, bereavement and multiple births, helping prevent these difficulties from escalating into crises, and crises from developing into family breakdown.

The family will initially be visited by a Co-ordinator to discuss their needs and if appropriate a volunteer will be matched with the family to offer weekly friendship and support. The support is reviewed on a regular basis and will end when the needs are met, or it is an appropriate time to do so. The referrer will be kept informed of the progress.

Alternatively the family might be invited to attend a group run by their local Home-Start.

Home-Start in Surrey

*Home-Starts are individually registered charities and cover the whole of Surrey.
